Youngsville, NC 27596

After many years of doing business with your company we want to write this letter showing our appreciation of your services,
Specially the one job done at Rolls Royce, Crosspointe, VA.

The technicians to disconnect, prepped, wooden packing the 55,000 lbs. each. (9) 2019 Hermles 5-axis vertical machining centers was the biggest job we have been involve in our 22 years of selling used machines.
The complete job was a success from the 1st day we started until the deadline of shipping to the port of Virginia.

We are very thankful for all your assistance and as always, we keep you on our top of the list for any future contracts.

Thank you,
Jose Chaparo / President / Pride Machinery Sales, Inc.
